A donor activist and philanthropist for more than 25 years, Tracy Gary educates and supports donors, family foundations, financial service organizations and nonprofits about the stewardship of money, leadership, legacy and philanthropy. At the heart of it, Ms. Gary discovers what is important to those she educates and supports. Then Tracy assists in resourcing and connecting dreamers and dreammakers -- and the advisors that can help to manifest their capacities.

Available for public speaking and private consultations through Inspired Legacies, the nonprofit she leads, Ms. Gary has worked as a philanthropic and legacy advisor for a wide array of groups including American Express, New York Life; PNC Bank, the Institute of Noetic Sciences; regional grant making associations; private, family, and community foundations, donor networks, and grassroots community groups. Traveling all 50 states and numerous international locations, Tracy promotes service and impactful giving.

Tracy works with Inspired Legacies as active partners to many groups: including The Tipping Point Network, The Women's Funding Network, Changemakers, Threshold Foundation, and numerous family foundations and donors. She contributes 100% of her book proceeds to Inspired Legacies and 40% of her personal income, to community-based philanthropy and other long-time priorities in her family giving plan.

Tracy Gary is the author of *Inspired Philanthropy: Your Step by Step Guide to Creating a Giving Plan and Leaving a Legacy*, released in Nov. 2007. (The 3rd edition is published by Jossey-Bass and available through Inspired Legacies or www.inspiredphilanthropy.org or your local bookstore.) It is widely regarded as the most comprehensive book on giving and legacy planning for donors and their advisors.

After graduating from Miss Porter's School, Ms. Gary earned a Bachelor of Arts degree in Mythology from Sarah Lawrence College.
