Advancing My Leadership –Springing Forward—My Next Steps

1) What's been the best insight about evolving your leadership giving and investing that you have gained recently?

2) What are you seeing that you can extend to help with beyond what you are doing now, to assure greater intentionality and impact for your community or the world? Are you working in community so you know they are needed? What might you need to stop doing so you can focus more on this?

   a.

   b.

   c.

3) List three things you commit to doing in the next month to advance your community and philanthropic leadership:
   a.

   b.

   c.

4) How will you get support so that you stay on track and make progress on your goals, legacy and dreams?
