

## PASS IT ON...help MOVE KIDS & GUIDES TO USE THESE TOOLS

How much would it be worth it to you to have within three years 1000 groups raising and giving \$10,000 each in local and global communities through a social justice lens?

**\$1m more for justice PLUS imagine the leadership created!**

That's our goal. To get there, we need for our Phase 2, just \$20,000 more for a 10 hour per week Youth Giving Coordinator/Consultant. Imagine thousands of organizations using these tools to grow their capacities about fund-raising, diversity, impact and social justice. We are on the way to getting a MATCH for \$10,000. Can you help?

Just make your donation or pledge over this year and be part of raising \$1M More for Justice.

We invite you to pay forward to give the gift of inspired tools to hundreds of others:

To get to our goal of raising \$20,000 for this position, we need:

- 5 gifts at \$2,000=\$10,000
- 5 gifts at \$1,000=\$5,000
- 5 gifts at \$500=\$2,500
- 5 gifts at \$250=\$1,250

OR many \$50-\$299 donations...

All generosity appreciated.

**UPDATE: We have raised HALF and are seeking only 10, 000 more in any denomination or dollar amount.**

Collectively of 10,000 people that this tool kit will be given to...and \$1m that will be raised from it's 1000 Youth Giving circles, we seek to raise in gifts for our Inspired Legacies' future, \$10,000 MORE from 10-20 people. It is you? Read our work and align your change strategy and consider?

Are you one of them that feels MOVED?

Are you a champion of Inspiring Youth or a want to play and be our partner person?

IF so, DonateNow at <https://secure.groundspring.org/dn/index.php?aid=10866> and HELP US GET there.
